Biodata Maker Templates Pricing FAQ Help English Create biodata

A biodata your family will be proud to share

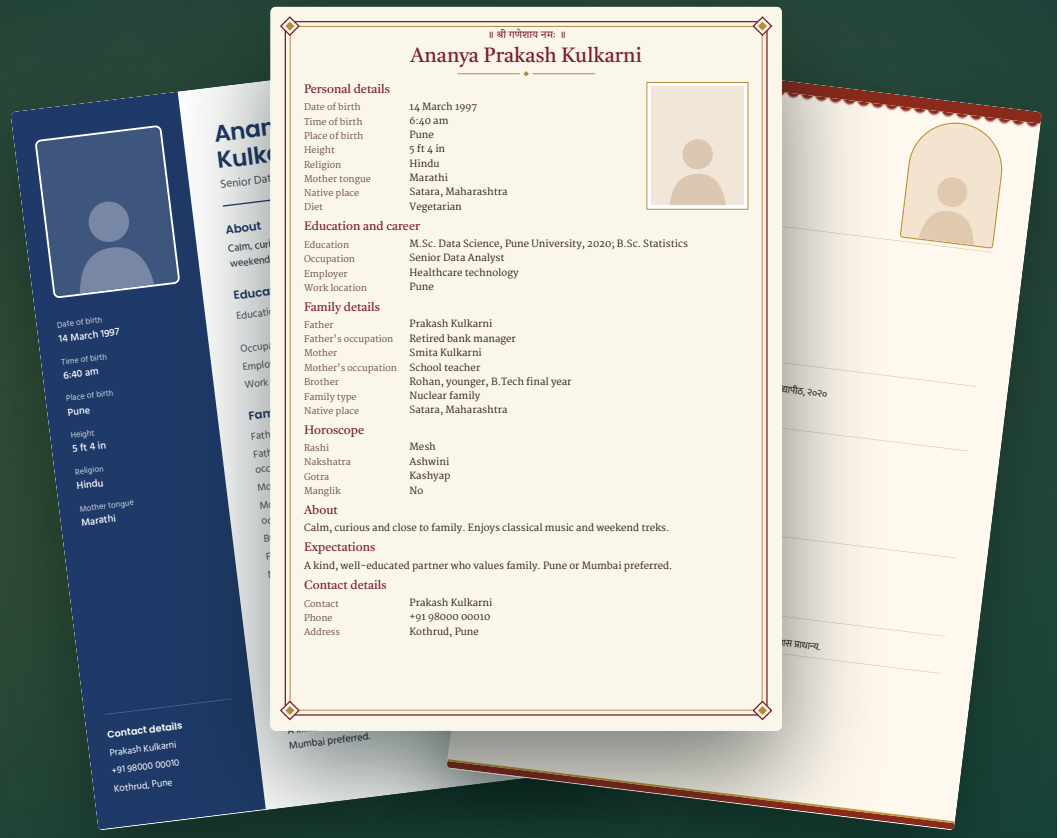

Choose a template, fill in your details at your own pace and download a print-ready PDF in English, हिन्दी or मराठी. No account needed.

Create your biodata

Try it with sample details

✓ Pay once, from ₹29 ✓ Details stay on your phone until you pay

✓ Hindi and Marathi typeset properly

How it works

1

Choose a template

40 designs, from devotional layouts with Ganesha, Krishna, Shiva and more to modern and minimal styles, plus layouts made first for Hindi and for Marathi.

2

Fill in your details

Share only what you want. Horoscope, contact and partner preferences are optional, and the preview updates as you type.

3

Pay once and download

A sharp A4 PDF, ready to print or send on WhatsApp. If a download fails, try again without paying twice.

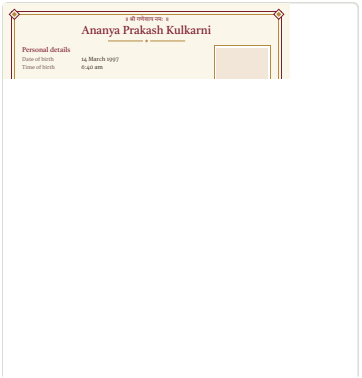

Written in your family's language

Switch the document between English, Hindi and Marathi at any time. We translate the labels; names and everything you write stay exactly as you typed them.

English	हिन्दी	मराठी
Date of birth	जन्म तिथि	जन्मतारीख
Father's occupation	पिता का व्यवसाय	वडिलांचा व्यवसाय
Native place	मूल निवास	मूळ गाव
Education	शिक्षा	शिक्षण

Find a style that suits you

See all 40 templates

Traditional

Framed and centred, with ivory, maroon and gold.

Devotional

Ganesha, Krishna, Shiva, Lakshmi and more, each with its own watermark.

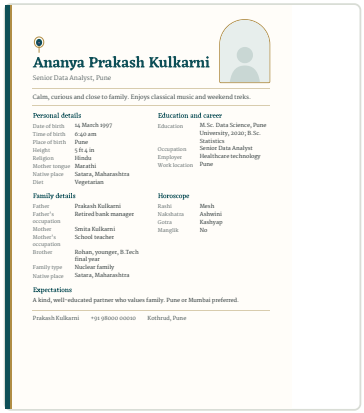

Modern

Two columns in navy and white, easy to scan.

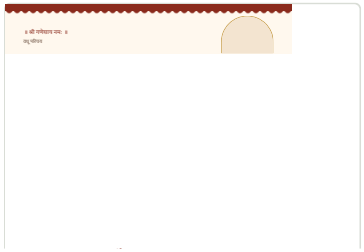

Minimal

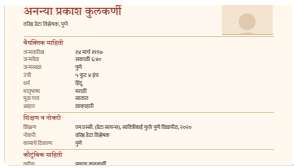

Quiet sage and charcoal, nothing extra.

Premium

Editorial type with a fine peacock border.

Hindi and Marathi first

Laid out for Devanagari from the start.

Your details are private

A biodata is personal. We collect only what goes on the document, and keep it only as long as you need it.

Read the privacy policy

Stays on your device while you edit

Nothing is sent to us until you choose Review and pay.

Deleted within 14 days

Your details and PDF are erased 14 days after purchase, or the moment you ask.

Never used for ads or AI training

Your biodata is used to make your PDF and nothing else.

No account, no public profile

This isn't a matchmaking site. Nobody can search for you here.

One price per PDF, no subscription

Minimal

₹29

Saral and Shuddh

Standard

₹49

Traditional, devotional, modern, Hindi-first and Marathi-first

Premium

₹99

Mayur and Kamal

Every purchase includes 5 downloads over 14 days and 2 free edits. **See what's included**

Start with a template. You can switch any time.
